Hi, Jenny. Sure. We would both be available June 8th (anytime) and 9th (before 1pm). The following week, we POSSIBLY have June 20th available. I'll have to double check with Sanjay on this date...he has something tentatively on his calendar. I'll try to catch him today and get the 20th nailed down, but wanted to respond sooner rather than later....

Hey Breean, Mike Lidgard just wrote, and Friday, June 16th doesn't work for him. Can you send me dates for the week before and after? Thanks!

Not sure if my last message was recalled or not, but I had to scratch the proposed date of Tuesday, June 13th... Just spoke with Sanjay and that will not work. Rather, if you folks could do Friday, June 16th that would really be great!
